To promote a loving, caring, Christ-like community which accepts all people And is inspired to spread The Good News of Jesus Christ.

**Police & Emergency Services  
Require fire lane access during  
Mass times**

The police and emergency services have spoken to me that St Mark's Church are not providing required adequate access for them to the front and rear of our church during Mass times.

Parking in non marked areas in the middle of the parking lots preventing access for a large truck to enter from Pakuranga Road and Exit via the Retirement Village Road must stop NOW.

In the last month, we were not able to get an ambulance in to take a person to hospital and also the police could not enter when required.

Additional parking for 25 cars is now available on the grass in front of the school admin block.

PLEASE PARK THERE, if you are late.

If all parishioners attending could please bring a plate for a shared morning tea that would be most appreciated.
